Why not take the next step in your real estate career and qualify as a Licensed Estate Agent?

A Licensed Estate Agent can own a real estate agency or be a branch manager of a real estate agency. Even if you do not want to own or manage an agency, having the qualification to obtain a licence will demonstrate a high level of knowledge and be an excellent point of difference as a salesperson or property manager.

Studying for your licence through the REIV adds another layer of credibility to the qualification and an REIV Certificate is very highly regarded by the industry.

If you are an Australian citizen or permanent resident and you have not completed a qualification higher than a Certificate III then you are eligible to apply through the Victorian Training Guarantee fund to do your licence course with the REIV for only \$250. This offer is only open to those people who have already undertaken their Agent's Representative course.

The usual tuition fee for Victorian Training Guarantee-funded students is \$1250 – so you save \$1000!

Act quickly – enrolments for this special offer close on 30 April 2012.
